

MUGARIK GABE

III. INTERNATIONAL CONTEST “ZureVision-SocialVision” 2010

Mugarik Gabe is a non-governmental development organization (NGDO), with the goal of promoting a plural and independent communication that helps to transform and in opposition to the globalizing culture of mass media. Mugarik Gabe presents also this year the international contest **“ZureVision-SocialVision”**. Already the third edition!!!

We encourage to all those persons and/ or associations which worry about social problems to take a camera or even a mobile phone and give form to one of the contest´s topics. In this way, as an audience will watch the spots, you will contribute to social transformation expressing social worries through them.
